Dear Scouters,

Welcome to the 2019 Popcorn Season for the Gulf Coast Council. This is a wonderful opportunity for your unit to kickoff their fundraising to provide for and enhance their program for the upcoming scouting season. There are many things that we are very excited about presenting to you and opportunities your unit can take advantage of through the Popcorn Sale. We have worked very hard with the popcorn company to not only make this sale more profitable for the unit but to make it easier for the Popcorn Kernel.

**Exciting Promotions:**

**New Amazon Prize Program**

Scouts can buy the prizes they want through an Amazon.com Gift Card program provided directly through Trails End for scouts selling $1,500 and more. They will receive a digital gift card based on sales.

**Scholarship Program**

Once your scout sells the $2,500 in a calendar year, they will get 6% of their sales put into an interest bearing scholarship account. After they have qualified they will receive 6% of all future sales. The scholarship money can also go towards mission trips.
Different Methods of Selling Popcorn

- **Take Order**—is the traditional form of popcorn selling that the Gulf Coast Council uses. The Scout along with a parent or buddy takes the order form door to door and asks neighbors to support Scouts by buying popcorn. The customer places the order of popcorn with the scout, the unit places the order with the council. When the popcorn is delivered the scout will take the popcorn to the customer. This is the only way a scout can create a history base of customers that is familiar and can be built from each year. Keep your take order sheets so you know who to go back to next year. Take it to work, take it to family, take it to friends/neighbors.

- **Support our Troops Military Sales**—is the same as the take order except for one small thing, when the customer purchases the popcorn, and the order is placed, the popcorn will be sent to the local USO and troops overseas defending our country. Very easy for those that do not want to deliver popcorn or those customers that want to support Scouting but do not want popcorn. You should also use the donations that you may receive to go towards military popcorn sales. In 2018—over $6,500 went to local USOs from the military popcorn sales.

- **Show and Sell**—The Scouting unit will order a certain amount of popcorn (be conservative) at the district kickoff. The unit will not have to pay for the popcorn before hand, but will not be able to return any product. The Scouting unit will be responsible for what is sold, lost, or damaged. On Distribution Day the unit will be able to pick up the popcorn that was ordered. At locations set by the unit leaders (for example: in front of a store) your unit will ask patrons of the store to support Scouts by buying popcorn. Units can use their imagination to find high traffic venues to sell. At the end of the Show and Sell period the unit will turn in payment for your units show and sell product. The council can provide a PowerPoint presentation for training for Show and Sell Popcorn Sales.

- **Online Popcorn Ordering (Scout GOFUND ME STYLE PAGE)**—this is the easiest and newest method of selling popcorn. Each Scout will need 5 minutes to set up a online account. Once the account is set up he and his parents will be able to email all of their friends and family asking them to support the Scouting program by buying popcorn. You will also be able to do this on facebook or put it on your Scout unit’s website. Popcorn purchased online will be shipped directly to the customer via Amazon and there will be FREE SHIPPING on all online orders for 2019.

The Council strongly recommends for the continuity of the sale that all products are sold at suggested retail prices.

Kickoff Planner

A great sale starts with a great kickoff! Follow these simple steps to start your popcorn sale with a BANG and motivate Scouts, parents and other volunteers.

1. Plan ahead. Think of an agenda that will be fast-paced and **FUN**! A good kickoff should be under an hour.

2. Emphasize WHY it is important to sell popcorn. Communicate the exciting Scouting program and how families can cover all their annual expense with one sale. Trails End makes it easy to sell delicious popcorn so Scouts can spend more time having fun and less time selling popcorn. Through one fundraising campaign a family and a unit can fund the entire year of Scouting.

3. Show Scouts the tools available from Trails End. This includes their order forms, prizes/promotions, training videos and much more! Visit www.trails-end.org to see all the tools available.

4. Spend some time explaining the different ways to sell, key dates for the program and show and sell locations.

5. Motivate Scouts to set goals for their sales and to pick an awesome prize! Trails End offers a **SCHOLARSHIP PROGRAM** of 6% of the Scout’s Sales once they sell $2,500, and for all sales from that point on in their scouting career.

6. Finish the evening with a memorable event, like throwing pies in the leaders’ faces or funny role-playing. A kickoff will be exciting when Scouts are involved in the action!
