

Dear Commissioner,

It is a pleasure to welcome you to the fellowship of commissioner service. I know that you will enjoy the experience and take great pride in being able to help America's youth by providing service which assures your units' success.

To help you become a successful commissioner, I invite you to attend our next **Commissioner Basic Training** course to be held on **Saturday, July 10, 2010** at **Camp Jambo, Spanish Trail Scout Reservation**. All three sessions will start at **9:00 am**, with registration and coffee at 8:30. The fee for the course will be \$5.00. Bring a brown bag lunch, drinks will be provided. Closing ceremonies will begin at **4:45 pm**. Complete the registration form below and send it along with your registration fee to the Council office.

Scouting fundamentals are so important; you will want to be aware of them. This course is a pre-requisite to our College of Commissioner Science, which will be held on Saturday, August 28, 2010 in Panama City, where you will be able to earn your Bachelors', and then Masters' and finally your Doctorate degrees in Commissioner Science. I look forward to working and learning with you!

Sincerely,

Betsy Werre  
Betsy Werre  
Gulf Coast Council Commissioner
