

Don't Miss Out on High Adventure!

We received more limited edition **Centennial Recruiter Patches!** Any Venturer/Sea Scout who gets a friend to register by Dec, will get a patch*. There are limited quantities so get recruiting! All Oct. recruiters are entered in a prize drawing on November 1st.

During October, members are asked to tell their friends about scouts and invite them to visit/join. Parents can tell their friends about the fun Crews/Ships are having, high adventure trips & values taught to future leaders, encouraging them to check it out.

Who??? Friends from school, church, neighborhood, sports team, other activities

What???

Crew/Ship Plan - Plan a Fun & Games Meeting. Make it a "Bring a Friend" night! Spend a few minutes welcoming visitors and telling them a bit about your Venture Crew and the upcoming events you've planned (10 minutes tops). Show & Tell with a few team building activities then start up a couple games. Have a table for any new recruits/parents to come over and ask questions / fill out forms to join. Talk to parents about how they can help.

OR Plan an outing to a fun place

OR Have a teen night

When??? October / November is great, plenty of time to sign up for Winter Fest and Ship Regattas. We'll sign up Centennial Recruits through December. Recruiting is a year round process!

Where??? Why??? All over the Gulf Coast Council, it's not too late to join!

How???

Crew / Ship decides on a plan that is best for them.

Have members make invitations and posters for the event.

Be sure to get "FUN" on the agenda and show visitors what we do.

Check out the resources for more ideas.

* Centennial Recruiter Patches will be issued until the supply runs out so get your applications in ASAP! If we run out, scouts will get a different patch.

Your District Executive will have patches as will council. Turn in the application with the name of the Scout Recruiter.
