CONTINUE TO EARN FUNDS BY SELLING POPCORN ONLINE!

This site allows scouts to sell CAMP MASTERS products to friends and relatives **across the country!** Here are a few key points on how the site will work and how the Online Sales Program will benefit scouts and scouting

Scouts: Eight Easy Steps for ONLINE Consumer Sales Program

- Step 1:** Go to www.popcornordering.com
- Step 2:** Sign up for online sales by following the easy instructions on the site. Register by clicking on "Scout Sign In". You will need the following information:
 - Your Scout Identification number (9-digit number- on scout registration card)
 - Council Name
 - District Name
 - Pack or Troop Number
 - E-mail address
- Step 3:** The Scout will be given a 10 digit "Key Code". The Scout gives the Key Code to his customers. This Key Code is used so a specific scout gets credit for the sale. The Scout sets up his own User ID and Password when registering to sell popcorn online.
- Step 4:** Scouts will be able to see who orders popcorn
- Step 5:** Once you have signed up, you can e-mail your Key Code to all potential customers, especially those friends and relatives out of your area.
- Step 6:** Customers will pay for product online with their credit card and their order will be shipped directly to their home.
- Step 7:** You will receive credit for your sales from your Council based on the online sales commission structure.
- Step 8:** Online sales have a separate prize program posted under "Prizes" on the website. Online sales are independent of any other sales (including the Fall 2009 sales). The prize you earn for online sales will be sent directly to your scout.

70% of all product sales will benefit scouting

Site access will be available through www.popcornordering.com or www.campmasters.org

The majority of the sales will still be generated through the traditional method of selling. However, we are pleased to bring a new and exciting way for you to expand those sales to fund your scouting adventures and community service projects!
