Community Support: We've got a great line up of support from local government, community businesses and organizations! Find activities, hands on booths, and demos throughout the day and a couple shows at night. We'll also give back to the community by collecting canned goods for local food pantries.

Emergency Lane - Check out a fire truck or ambulance, crawl through a smoke house, experience a storm house! See the emergency trailer, 911 practice phones, and beach safety equipment. Talk on a HAM radio and see how far away you can reach someone.

Look up to the sky... Aero modelers will be there and we're working on a helicopter! Be sure to take a turn at the dunking booth and tie a fly. Tour the Indian village and reenactment areas. Visit the FL Division of Forestry, Heritage Museum, and Sheriff's Crime Prevention booth. See what the Emerald Coast Reef Association does for the area. Watch for roaming exhibits, they'll come to you!

Early evening shows include Nonie's Ark, Cub Cuisine, and Casting Demos. Late night star gazing with the amateur astronomers clubs.

More for scouts! We're bringing the Scout Shop to you! Come shopping and say hello to the staff. There is a Trade-O-Ree, scouting museum, & lots of 100's to find & participate in. All of the above and we're not done yet, check the website for more to come!
