

Cub Scout Shooting Sports Saturday, October 10th

Do you like to shoot Archery? Slingshots? BBs?*
This is your chance to practice all 3 activities!

Sign up for an hour of shooting 10am-3pm then explore the game area.

Location: Mullet Festival Site, College Blvd, Niceville, North of ball fields

Cost: \$10 per Scout, Includes a patch. Parents free to accompany youth.

Great time to bring a friend along to join scouts. Grab lunch at the food booth.

For those who have been before, it is a little different this year. We changed the event to add safety precautions and reduce handling. You will get one hour, split equally between each range. This will let each scout get their shooting time all at once instead of having multiple times in line. Instructors will clean the equipment between uses. After shooting, explore the game area for an hour.

Upon arrival the scouts will have temperature taken, check-in and attend a 15-minute safety briefing for all three ranges. Then the group will be divided into three groups to round robin through the ranges. After range time, the group will explore the game area.

Please wear a mask and social distance.

Register on the district website:

<http://www.gulfcoastcouncil.org/2727>

*1st Grade and up may shoot BBs.

Lions may only do the archery.
