

What Is Venturing?

Venturing is a youth development program of the Boy Scouts of America for **young men and women who are 14 (and have completed the eighth grade) through 20 years of age.**

Venturing's purpose is to provide positive experiences to help young people mature and to prepare them to become responsible and caring adults.

Venturing is based on a unique and dynamic relationship between youth, adult leaders, and organizations in their communities. Local community organizations establish a Venturing crew by matching their people and program resources to the interests of young people in the community. The result is a program of exciting and meaningful activities that helps youth pursue their special interests, grow, develop leadership skills, and become good citizens.

Venturing crews can specialize in a variety of avocation or hobby interests.
