

I'M GOING TO BE A LEADER! WHAT DO I DO NOW?

There are a few introductory online trainings for those who have computer access

Go to <http://olc.scouting.org/> and review the following for a head start. They can be done without a scouting registration number, just fill in your name to register online. At the end of each one, you'll get a training certificate to print out and give to your pack. Once you are registered, the training can be tied to your account.

- 1. This is Scouting**
- 2. Cub Scout Leader Fast Start**
- 3. Youth Protection Training**

** NOTE: The Youth Protection Training is required, the certificate goes with your application. If you don't have access, don't worry, the pack will offer the training at the first Leader's Meeting (see below).
